

Spectrum Products™ Warranty

Two (2) Year Limited Warranty

What is covered by this warranty?

Spectrum Products™ warrants all products it manufactures to be free from defects in materials and factory workmanship to the original buyer. This warranty is contingent upon the proper installation, use, care and operation of the equipment for its intended purpose, and does not cover equipment that has been modified or has been subjected to abusive physical or environmental stresses. Spectrum Products™ agrees to repair or replace, at its sole discretion, any product that fails to perform as specified within 24 months after date of the original shipment from the factory unless otherwise noted.

This warranty relates only to defects in materials and workmanship and does not include damage or failure resulting from other causes, including, but not limited to acts of God, misuse or abuse, accident or negligence, fire, improper installation or ice damage. This warranty does not apply to fading of materials or to any corrosion of any metallic parts. Damage induced by the improper use of chemicals is not covered by this warranty. In the event that products are altered or repaired by anyone without the prior written approval of Spectrum Products™, all warranties are voided.

Powder Coated Products: This warranty does not cover chipping, flaking, scratches or any other surface defect due to abuse or mishandling of product. Due to the corrosive environments this warranty does not cover surfaces damaged during handling or installation. Although powder coating on product is designed for long-term use, keeping products outside in the elements, inside a highly humid environment, excessive washing (including power-washing) or improper maintenance will result in premature corrosion.

Parts: Components of products provided by other manufacturers are subject to the original equipment manufacturers (OEM) warranty. Examples include but not limited to batteries, actuators, control systems, valves, pumps, etc.

Blankets: Improper storage of the Swimming Pool Blanket System or Spa Blanket may void this warranty. This warranty does not cover damage caused by chemical action or abrasive material damage caused by handling or during transportation, or damage arising from misuse, installation or any other cause beyond the manufacturer's control.

What will Spectrum do related to the product covered by this warranty?

Provide free of charge (excluding shipping) replacement parts (new or rebuilt at Spectrum's option). This warranty does not cover labor to remove or install equipment and parts. Provide, F.O.B. the factory, new or reconditioned replacement product (Spectrum's option).

What is not covered by this warranty?

Damage or loss in transit as indicated by bill of lading, normal wear and tear, chemical damage, discoloration, misuse and damage or loss caused by neglect, abuse, vandalism, modification, improper installation, lack of maintenance or physical damage are not included in this warranty. See owner's manual for recommendations related to the use and care of the product.

IMPORTANT: TO ENSURE SAFE OPERATION, USERS MUST COMPLY WITH THE PUBLISHED WEIGHT LIMITS ON SEVERAL PRODUCTS SUCH AS SLIDES, LIFTS, CHAIRS, STARTING BLOCKS, STANDS AND LADDERS. REFER TO PRODUCT LITERATURE AND MANUALS FOR THESE LIMITATIONS.
