

Swim Club II

This well-crafted slide with stainless steel legs and heavy-duty acrylic runway make it an ideal choice for commercial aquatic facilities.

- 6'6" at the top of the runway, 8' to the top of the handrails
- Available in right or left curve
- Heavy-duty stainless steel ladder, rails and legs for added stability
- Scratch-resistant acrylic runway for long product life
- Can be surface or in-deck mounted to accommodate any pool (flanges must be purchased separately.)
- Accommodates sliders up to 250 lbs
- This slide fully complies with the U.S. Consumer Product Safety Commission's Safety Standard for Swimming Pool Slides (16 CFR 1207).
- Commercial or residential use
