

**NEW!**

**melody**  
**Blanco**

**melody Blanco**  
Underwater White Light

**No Niche**  
**No Bonding or Grounding**  
**Energy Efficient LED Technology**

**NEXXUS™**  
POOL AND SPA

The **melody Blanco** has set a

**NEW standard for LED underwater lighting.**

*Simple, Refined, Powerful.*

The new white light Blanco is designed around the popular savi Melody color underwater LED light and like the Melody, Blanco also requires:

- No Niche**
- No Bonding**
- No Grounding**

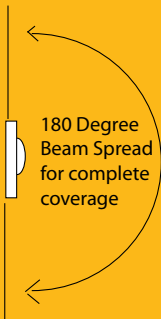

**4x Brighter than RGB LED white light! Over 900 Lumens!**

The Blanco delivers a bright daylight white, the optimal illumination for pools and spas.

Each Blanco uses only 10 Watts!  
Recommended transformers:

- PX100
- PX300

<u>Part Number</u>	<u>Description</u>
MB-100	melody Blanco Underwater White Light 100' Cord
MB-150	melody Blanco Underwater White Light 150' Cord

The 12V system is energy efficient, easy to install and with a 50,000 hour lamp life (or over 15 years running 8 hours a day) it is virtually Maintenance FREE!

**melody Blanco.**

*Simple, Refined, Powerful.*
