

Nature²

Fusion inground

All-in-One Chlorine Dispenser
+ Mineral Pool Sanitizing System

MINERALS + CHLORINE UNITE

Nature²® Fusion Inground is the ultimate chlorine and mineral sanitizing system for inground pools. By combining patented Nature² mineral technology with an automatic chlorine tab feeder, Nature² Fusion Inground delivers water that is noticeably cleaner, clearer and softer. Nature² is proven to destroy bacteria and control algae, so your pool water will be sparkling clean without having to add extra chemicals. Nature² is a natural supplement to chlorine, so it helps maximize chlorine investment, while reducing the annoying and harmful effects of harsh chemical use. No other system is this complete or easy to install, use and maintain. With Nature² Fusion Inground, you are just a few simple steps away from perfect pool water, naturally.

chlorine + Nature² minerals

Nature² Fusion Inground is an all-in-one chlorine and mineral sanitizing system to keep your pool sparkling clean.

easy to use

Quick installation with low maintenance and the convenience of automatic chlorine tablet dispensing.

compatible

Works with virtually all swimming pool filtration systems.

algae control + bacteria

Patented Nature² mineral technology is proven to control algae and destroy bacteria.

maximizes chlorine effectiveness

Nature² minerals work with chlorine to deliver perfect pool water, naturally.

Nature²

Fusion inground

All-in-One Chlorine Dispenser
+ Mineral Pool Sanitizing System

chlorine adjustment

Control chlorine output with easy-to-read adjustment handle.

Nature²® mineral cartridge

Nature² is an effective pool sanitizing solution. It uses mineral technology to provide superior pool water quality. (sold separately)

convenient universal union connectors

Connects easily to any 2" or 2½" pipe, and is the perfect complement to the Jandy® Versa Plumb® system.

tool-free drain plug

Simplify the winterizing process in just seconds.

commercial-grade durability

Engineered with the highest quality materials.

THE MINERAL SOLUTION, REDISCOVERED

Minerals, such as silver and copper, have long been known for their sanitizing antimicrobial properties. Nature² brings the benefits of these safe elemental ingredients to create pool water that is noticeably cleaner, clearer, and softer.
