# **POOL BLASTER® SpaVac**

**Isn't it Time to make sure your Spa or Hot Tub is *Pool Blaster Clean*?**

The New Pool Blaster SpaVac offers owners the opportunity to microfilter the water in their spa or hot tub while removing even the smallest dirt and debris.

The Pool Blaster SpaVac is simple, lightweight and easy to use. The complete kit comes with a sectional pool pole for easier, more convenient "extended reach" cleaning.

The Battery Powered Pool Blaster SpaVac will vacuum for well over an hour using just 3 C-cell batteries.
