

# Spa STAIN&SCALE

## PRECAUTIONARY STATEMENTS

### CAUTION:

May be harmful if swallowed as a concentrate.  
Avoid prolonged direct contact with concentrate,  
may irritate skin and/or eyes.

### FIRST AID:

**EYES:** In case of contact, immediately flush with  
plenty of water for at least 15 minutes. Get medical  
attention if irritation develops or persists.

**SKIN:** Wash affected area immediately with large  
amounts of soap and water. Remove contaminated  
clothing. Get medical attention if irritation  
develops or persists.

**IF SWALLOWED:** Immediately give 2 glasses of  
water. Contact a physician or poison control center.

### STORAGE & DISPOSAL:

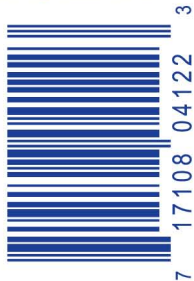

Keep container tightly closed. Do not store near  
combustible materials. Avoid extreme tempera-  
tures. Keep from freezing. Do not re-use container.  
Rinse empty container. Recycle if possible or place  
in trash collection.

**NOTE: SCALEfree** can be used in any type of spa  
and with any type of spa sanitizing system. It has  
no adverse effects on water chemistry. Bathers  
can use spa immediately following treatment.

# Spa STAIN&SCALE

**Spa STAIN & SCALE** protects your spa from the  
damaging effects of scale build-up and staining  
due to excessive calcium, iron, copper and other  
minerals. It works without the use of phosphates  
or harsh acids.

**Spa STAIN & SCALE** assists in preventing scale  
from forming on salt generator cells, to help  
maintain optimum performance.

**NOTE:** This product can be used with any  
sanitizing system and is compatible with all spa  
surfaces.

### DIRECTIONS FOR USE:

**Initial Treatment of Fresh Fill:** Add 8oz (237ml)  
per 200 gallons (757L) directly to spa water.

**Weekly Maintenance:** Add 1oz (30ml) per 400  
gallons (1500L) directly to spa water.

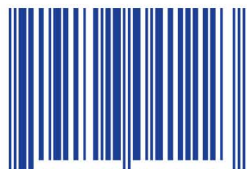

**NOTE:** If water hardness level is above 500ppm  
double the recommended dose.

Store below 120°F.

Do not allow product to freeze.
