Cleaner, Healthier Water With Fewer Chemicals

- Safe, Eco-Friendly & Family-Friendly
- Inactivates 99.9% Bacteria, Viruses, Fungus, Algae & Micro-Organisms Instantaneously
- Destroys Micro-Organisms That Chlorine Or Salt Chlorine Generators Can’t
- Dramatically Reduce Chemical Demand By Up To 50%
- No Harmful By-Products
- Reduce Eye & Skin Irritations
- Cleaner, Healthier Water
- Minimal Maintenance
PARAMOUNT’S ECO-FRIENDLY ULTRAVIOLET WATER SANITIZER

Paramount’s Ultra UV Water Sanitizer provides an additional layer of protection beyond the capability of chlorine or salt based chlorine generators. As water circulates through the Ultra UV chamber the UV light immediately inactivates 99.9% of micro-organisms and algae which are resistant to chlorine. This provides a cleaner, clearer swimming environment with zero harmful by-products and dramatically reduces the amount of chlorine needed to maintain an adequate level of residual sanitizer.

DESIGNED & ENGINEERED FOR CLEANER, HEALTHIER POOL WATER

• The multi-directional and quick release piping connections make it easy to install in new and existing pools.

• The 360˚ direct view lamp ON indicating ring lets you know the unit is on and if you need to replace a burned out UV-C lamp.

• The Ultra UV is automatically activated by the flow of water through a pressure switch

ULTRA UV FEATURES:

• Compact size 13” x 13” x 32”

• Available in either 120V or 230V with models to accommodate your pool water flow rate

• 100% corrosion resistant housing

• 13,000 operating hours effective lifespan UV-C lamps

• State of the art electronic ballast(s)

• Does not diminish the pool’s circulation

• For indoor and outdoor use

• 2 year limited warranty
