

HAYWARD®

Salt & Swim® 3C

»»» Salt Chlorinator

UNRIVALED COMFORT, CONVENIENCE AND COST SAVINGS

Smart dispensing helps unit operate at very low flow rates

Easy-install design requires less plumbing length (11.5" straight pipe)

Salt cell produces up to 200 lbs of pure available chlorine

Weatherproof control unit is built to durably withstand the elements

Intuitive control panel makes it easy to adjust chlorination settings

LED status lights display current chlorination mode at a glance

SILKY-SMOOTH COMFORT

Salt chlorination offers a more natural approach to sanitization that eliminates the harsh smell of factory-made chlorine and won't irritate eyes, dry out skin or fade fabrics.

HASSLE-FREE CONVENIENCE

Because Salt & Swim 3C automatically converts salt into an endless supply of chlorine, you can say goodbye to mixing and measuring and hello to hassle-free sanitization.

UNBEATABLE COST

Salt & Swim 3C cuts chlorine costs by more than 50% over the lifetime of the system, making it as easy on the wallet as it is on the skin.
