## PAL Series

## Descriptions for other variations:

- PAL Hi/Lo A variation of the PAL useful for facilities that have both inground pools and above ground spas.
- PAL Spa Designed for above ground pools and spas up to 48" above the pool deck.

A completed Deck Profile form is required with your pool lift order.

Since its introduction in 1997, the PAL (Portable Aquatic Lift) has become the industry standard for portable swimming pool access. The completely portable PAL is the perfect accessory for any commercial aquatic facility.

- 3rd party tested & verified ADA compliant
- 300 lb/136 kg lifting capacity
- Completely portable no deck fixtures and easy to move by one person
- Conveniently stores away when not in use
- Powered by the LiftOperator Intelligent Control.
- True operational redundancy lift can be operated from the control box and the handset
- 240° rotation ensures a safe transfer area
- Made from powder-coated stainless steel and aluminum

Model No.	Description	Shipping Wt.	L	W	Н
200-0000	PAL	1,195 lbs.	40"	48"	60"
