SOL
LED UNDERWATER LIGHT

The new MELODY SOL is twice the power and twice the brightness as the SAVI Melody with all the same great features. Nicheless, intelligent RGB color LED lighting ideal for shallow water applications like steps, swim outs, sunshelves and beach entries. The MELODY SOL synchronizes with all SAVI lights and lighted water features, so now you and your family can have a day in the sun, all night long!

LIGHTING
FOR THE
BEST
& BRIGHTEST

MELODY SOL
RGB LED
UNDERWATER
LIGHT

Fast Color Changing and Medium Color Changing

Vibrant Colors: White, Light Blue, Green, Pink and Dark Blue

28 Watts / 0.2 Amps / 12VAC Model: Melody-SOL-100 & -150

Bright, Colorful and Versatile. The **Melody SOL** will outperform any other LED underwater pool light on the market today - hands down. The colors are rich and brilliant. The profile is small and sleek so you can position it WHERE you want it , not where you have to. When you sync the **SOL** with other great lighting products from SAVI like the X-Stream Nova Fall, X-Stream Bubbler or X-Stream Pavers you'll see there's better value anywhere. Isn't it time to finally enjoy some fun in the sun... all night long.
