

Splash! Round Post

This fixed anchored lifting system can be installed in an existing round anchor.

- 3rd party tested & verified ADA compliant
 - Integrated armrests
 - State of California compliant
 - 300 lb/159kg lifting capacity
 - Easily removable from stainless steel deck anchor
 - Secure-It Kit™ keeps the lift from rotating in the anchor socket
 - LiftOperator® Intelligent Controller
 - True operational redundancy – lift can be operated from the control box and the handset
 - 344° rotation ensures a safe transfer area
 - Made from powder-coated stainless steel and aluminum
 - Adapters available.
- For additional anchor sizes – see table to the lower left

Lift Color

Due to printing technology actual color may differ.

Secure-It Kit™
