Pool Watchdog™

SWIMMING POOL SAFETY CAM™

Just like a real watchdog...your Pool WatchDog™ Swimming Pool Safety Cam™ can help keep an eye on your pool when you're not right there, and give you a warning "BARK" to get your attention, via Text or Email, to alert you of potential danger!

Your Pool WatchDog™ does more than just "BARK" alerts when someone is near your pool or opening your pool cover...it *shows* you with live streaming video straight to your SmartPhone, Tablet or PC!

Whether you're on vacation, at the office, or just in the other room your Pool WatchDog™ is ready to "Bark" an alert if there is potential danger!

- Streaming video 24/7
- Pool WatchDog™ Cam Alarm will text and email you so you can quickly check for danger and SEE:
 - Who is near your pool
 - Who is opening/closing your pool cover
- Video Available through your smartphone, PC, or WiFi enabled device
- Weatherproof for outdoor use

- WiFi enabled camera with built-in CPU
 - Can be wireless or wired
- Works with ANY manufacturer's automatic swimming pool cover
- Night Vision Technology (Included)
- Motion Detection Technology (Included)
- Link multiple cameras to your user interface
- Other uses: Nanny cam, yard cam, play area cam, etc.

PATENT PENDING

The Pool WatchDog™ is shipped with an eye-catching restockable P.O.P. display or as individual units. (Free In-Store Poster with P.O.P. display)
