

Saturn II Billiard Cloth Pool Table Felt

7-ft and 8-ft

INCLUDES

6 rail cloths, 1 bed cloth, table spot and 2 pieces of color matched cue chalk.

INSTALLATION NOTES

Install cloth face up. Championship cloth is clearly identified with either a black or yellow line at the edge of the cloth.

IMPORTANT PRODUCT INFORMATION

Please carefully inspect BEFORE installing.

Your Championship Cloth has been carefully cut, packaged and inspected.

All claims must be presented to Championship prior to installation.

Championship WILL NOT accept or approve any claims after installation has been completed.

We will not accept returns of cloth that have been stapled, cut, glued or otherwise installed and/or altered from its original condition.

DIY installations performed by an end user, or anyone other than a professional installer, will void all claims after installation.

You MUST inspect the bed and rails thoroughly before installation.

Please note: surface burns, racking marks and ball marks resulting from normal play are NORMAL. These occurrences are NOT flaws or defects of the product. Using a soft brush and/or vacuuming the table using a hose attachment will help minimize buildup of chalk dust and assist in the general care of your cloth.

CARE INFORMATION

Dust, chalk and lint can damage surface. To maintain a clean, smooth playing surface and extend wear, brush and vacuum fabric regularly. Use a soft bristled tapered brush under rails.

GUARANTEED

We stand behind our craftsmanship 100%. Please contact us with any inconsistencies or apparent defects.
