

## MATERIAL SAFETY DATA SHEET

| 1. Product and Company Identification |  |  |
|---------------------------------------|--|--|
| Product name                          | Pro Series Prozymes Pool   |  |
| CAS #                                 | Mixture  |  |
| Product use                           | Water cleaning compound  |  |
| Manufacturer information              | Natural Chemistry L.P.<br>40 Richards Ave.<br>Norwalk, CT 06854 US<br>Phone: (800) 753-1233<br>Emergency Phone: CHEMTREC (800) 424-9300                            |  |
|                                       | 2. Hazards Identification  |  |
| Emergency overview                    | CAUTION<br>MAY CAUSE EYE IRRITATION. MAY CAUSE SKIN IRRITATION.  |  |
| Potential short term health ef        | fects  |  |
| Routes of exposure                    | Eye, Skin contact, Inhalation, Ingestion.  |  |
| Eyes                                  | May cause irritation.  |  |
| Skin                                  | May cause irritation.  |  |
| Inhalation                            | May cause respiratory tract irritation.  |  |
| Ingestion                             | May cause stomach distress, nausea or vomiting.  |  |
| Target organs                         | Eyes. Skin.  |  |
| Chronic effects                       | Prolonged or repeated exposure can cause drying, defatting and dermatitis.   |  |
| Signs and symptoms                    | Symptoms may include redness, edema, drying, defatting and cracking of the skin. Symptoms overexposure may be headache, dizziness, tiredness, nausea and vomiting. |  |
| OSHA regulatory status                | This product is a "Hazardous Chemical" as defined by the OSHA Hazard Communication Standard, 29 CFR 1910.1200.   |  |
|                                       | 3. Composition/Information on Ingredients  |  |

| Components   | CAS #      | Percent   |
|--|------------|-----------|
| Alcohols, C9-11, ethoxylated                           | 68439-46-3 | 1 - 5     |
| Poly(oxy-1,2-ethanediyl), alpha-undecyl-omega-hydroxy- | 34398-01-1 | 0.5 - 1.5 |

## 4. First Aid Measures

| First aid procedures         |   |  |
|------------------------------|---|--|
| Eye contact                  | Flush with cool water. Remove contact lenses, if applicable, and continue flushing. Obtain medical attention if irritation persists.  |  |
| Skin contact                 | Flush with cool water. Wash with soap and water. Obtain medical attention if irritation persists.   |  |
| Inhalation                   | If symptoms develop move victim to fresh air. If symptoms persist, obtain medical attention.  |  |
| Ingestion                    | Do not induce vomiting. Never give anything by mouth if victim is unconscious, or is convulsing.<br>Obtain medical attention.   |  |
| Notes to physician           | Symptoms may be delayed.  |  |
| General advice               | If you feel unwell, seek medical advice (show the label where possible). Ensure that medical personnel are aware of the material(s) involved, and take precautions to protect themselves. Show this safety data sheet to the doctor in attendance. Avoid contact with eyes and skin. Keep out of reach of children. |  |
|                              | 5. Fire Fighting Measures   |  |
| Flammable properties         | Not flammable by WHMIS/OSHA criteria.   |  |
| Extinguishing media          |   |  |
| Suitable extinguishing media | Treat for surrounding material.   |  |

| Unsuitable extinguishing media                           | Not available  |                                      |
|--|--|--------------------------------------|
| Protection of firefighters                               |  |                                      |
| Specific hazards arising<br>from the chemical            | Not available  |                                      |
| Protective equipment and<br>precautions for firefighters | Firefighters should wear full protective clothing including self of  | contained breathing apparatus.       |
| Hazardous combustion products                            | May include and are not limited to: Oxides of carbon.  |                                      |
| Explosion data   |  |                                      |
| Sensitivity to mechanical<br>impact                      | Not available.   |                                      |
| Sensitivity to static<br>discharge                       | Not available.   |                                      |
|  | 6. Accidental Release Measures   |                                      |
| Personal precautions                                     | Keep unnecessary personnel away. Do not touch or walk thro<br>damaged containers or spilled material unless wearing approp<br>people away from and upwind of spill/leak.   |                                      |
| Environmental precautions                                | Do not discharge into lakes, streams, ponds or public waters.  |                                      |
| Methods for containment                                  | Stop leak if you can do so without risk. Prevent entry into wate confined areas.   |                                      |
| Methods for cleaning up                                  | Before attempting clean up, refer to hazard data given above.<br>non-reactive absorbent and placed in suitable, covered, labell<br>from entering sewers or waterways. Contact emergency serv<br>return spills to original containers for re-use. | led containers. Prevent large spills |
|  | 7. Handling and Storage  |                                      |
| Handling   | Use good industrial hygiene practices in handling this materia   | 1                                    |
| lianding   | Avoid contact with eyes and skin.<br>Wash thoroughly after handling.   |                                      |
| Storage  | Keep out of reach of children.<br>Store in a closed container away from incompatible materials.  |                                      |
|  | 8. Exposure Controls/Personal Protection   |                                      |
| Exposure limits  | Not available  |                                      |
| Engineering controls                                     | General ventilation normally adequate.   |                                      |
| Personal protective equipment                            |  |                                      |
| Eye / face protection                                    | Wear safety glasses with side shields.   |                                      |
| Hand protection  | Rubber gloves. Confirm with a reputable supplier first.  |                                      |
| Skin and body protection                                 | As required by employer code.  |                                      |
| Respiratory protection                                   | Where exposure guideline levels may be exceeded, use an a  | pproved NIOSH respirator.            |
| General hygiene<br>considerations                        | Handle in accordance with good industrial hygiene and safety drink. Wash hands before breaks and immediately after handle  | practice. When using do not eat or   |
|  | 9. Physical and Chemical Properties  |                                      |
| Appearance   | Cloudy   |                                      |
| Color  | Amber  |                                      |
| Form   | Liquid   |                                      |
| Odor   | Characteristic   |                                      |
| Odor threshold   | Not available.   |                                      |
|  |  |                                      |
| Physical state   | Liquid.  |                                      |
| pH   | 5.5 - 6.5  |                                      |
| Freezing point   | Not available.   |                                      |
| Boiling point  | Not available.   |                                      |
| Pour point   | Not available.   |                                      |
| #24129   | Page: 2 of 6   | Issue date 20-September-2013         |
