

ECO3 RETROFIT IS THE SMART CHOICE FOR SYSTEM:3® REPLACEMENT CARTRIDGES

About FILBUR

Headquartered in Southern California, FILBUR Manufacturing has been producing pleated pool and spa cartridges for over 20 years. With over 700 cartridge configurations, the company has grown to become the leading supplier of cartridges to pool and spa manufacturers (OEMs) in the United States.

In 2003, the company began manufacturing diatomaceous earth (DE) grids. With a reinforced center for added durability, FILBUR grids set the standard in the industry today.

When you want quality you can trust for your pool or spa, ask for FILBUR products.
