

POCKET PRO/POCKET PRO+ Testers

POCKET PRO Testers

For precision accurate testing the large LCD display, intuitive user interface and AAA batteries make Pocket Pro the easiest to use tester for many different water testing applications.

POCKET PRO

Product #	Description
9531000 E	Pocket Pro, pH, tester
9531100 E	Pocket Pro, ORP, tester
9531200 E	Pocket Pro, TDS low range, tester
9531300 E	Pocket Pro, TDS high range, tester
9531400 E	Pocket Pro, Conductivity low range, tester
9531500 E	Pocket Pro, Conductivity high range, tester
9531600 E	Pocket Pro, Salt, tester
9531700 E	Pocket Pro, Temperature, tester
9531701 E	Pocket Pro, Temperature, Repl. sensor

POCKET PRO+ Testers

The Pocket Pro+ Tester series offers all the benefits of the Pocket Pro testers, plus convenient LCD backlight and replaceable sensors.

POCKET PRO+

Product #	Description
9532000 E	Pocket Pro+, pH, tester
9532001 E	Pocket Pro+, pH, Repl. Sensor
9532100 E	Pocket Pro+, ORP, tester
9532101 E	Pocket Pro+, ORP, Repl. Sensor
9532700 E	Pocket Pro+, Multi 1, Cond/TDS/Salt, tester
9532701 E	Pocket Pro+, Multi 1, Cond/TDS/Salt, Repl. Sensor
9532800 E	Pocket Pro+, Multi 2, pH/Cond/TDS/Salt, tester
9532801 E	Pocket Pro+, Multi 2, pH/Cond/TDS/Salt, Repl. Sensor

FASTCHEK PRO

Professional In-Store Water Testing

Features:

- Provides 2 levels of software access (users and administrators)
- The ability to import/export customer databases

- Takes up minimal counter space and is portable
- Real-time access to professional technical support
- No messy liquid reagents

FastChek Pro Professional Pool Prescription System
Free Chlorine, Total Chlorine, Total Bromine, Hardness, pH, Total Alkalinity, Cyanuric Acid, Borate, Nitrate, Total Dissolved Solids, Iron, Copper

Product #2525500 includes:

- Digital Test Strip Reader
- Starter set of specially-designed test strips
- Cleaning tool and wipes
- Software and instructional DVD
- Static window cling

FastChek Pro Maintenance Kit

Product #562193 includes:

- Cleaning tool and wipes
- 2 Calibration strips
- 1 Check strip

Product #2770120
 pH 7.00 Calibration Solution Singlets
 20 / box

Product #2771420
 1413 us/cm Conductivity Calibration
 Solution Singlets
 20 / box

Product #2771520
 12.88 ms/cm Conductivity Calibration
 Solution Singlets
 20 / box

Replacement
 sensor and
 cap.

Runs on PC environments
