aquabot®

RECOMMENDED FOR IN-GROUND RESIDENTIAL POOLS UP TO 50 FT. IN LENGTH

The Aquabot Sonic is lightweight and easy-to-use, with exceptional performance at an affordable price.

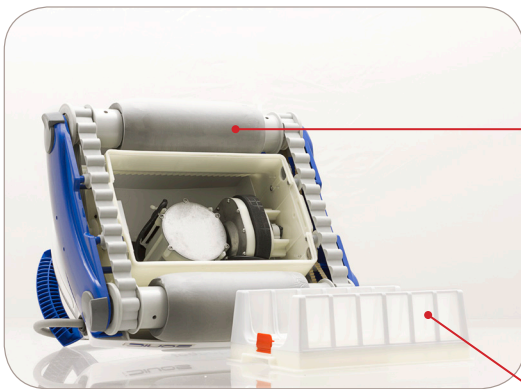

Aquabot Sonic: Deep cleans scrubs and vacuums pool floors, coves and walls with Super Grip PVA wheels for excellent traction on even the slipperiest of surfaces. The Sonics Super Grip PVA brush excels at scrubbing with its sponge like texture to reach every nook and crevice that standard brushes may miss. The Sonic deep cleans pool surfaces with an efficient 2 hour cleaning cycle and includes an easy-to-clean self-contained filter cartridge or 2 micron filter bag. The Sonic also features a long 50 foot cable and the Aquabot swivel which helps prevent tangling. Deep cleanings costs less than 5 cents per cycle hour - Plug-n-play, no pre-installation needed and no connections to existing pool systems. Self-programmed for optimal pool cleaning.
