

BLACK CAST SERIES

Our Cast Black Series grills comes with amazing features: a more reliable ignition system, UFC temperature gauges, solid construction—you name it. Not to mention, the Cast Black Series delivers the same, incredible results you've come to expect from the SABER® brand.

- Black porcelain lid insert with cast-aluminum endcaps
- Push-button ignition with electrode at each burner
- Heavy-duty shelves with tool holders
- Easy assembly — fully enclosed black powder-coated cart
- Heavy-duty nylon locking casters
- Multiple-position warming rack with storage location
- Easily converts from propane to natural gas (kit sold separately)
- All stainless steel is non-magnetic
