

BIOSHIELD®

UV STERILIZER

Neutralize harmful bacteria while using less chlorine.

GIVE YOURSELF THE PEACE OF MIND OF CLEANER POOL WATER.

Pool water can be a breeding ground for several kinds of harmful bacteria and pathogens that can cause Recreation Water Illnesses (RWIs). That's why Pentair has harnessed the power of UV light to neutralize bacteria and prevent its reproduction. The BioShield® UV Sterilizer provides instant protection as it "zaps" those harmful waterborne pathogens, providing cleaner, safer pool water for friends and family.

Neutralizes harmful bacteria and pathogens instantly

Reduces chlorine use

Commercial-grade sterilization power

KEEP UNINVITED GUESTS OUT OF YOUR POOL.

You want your backyard oasis to be relaxing, enjoyable and protected. Keeping your pool water sparkling clean and virtually bacteria free is your top priority, and BioShield is the proven way to do it—without producing harmful byproducts. With the power of UV light, you'll neutralize harmful bacteria while using less chlorine, for less hassle and reduced odors.

Here are some of the unwanted guests you'll kick out of your pool:

Cryptosporidium is a leading cause of waterborne illness and is highly resistant to chlorine disinfection.

Giardia is a microscopic parasite that causes severe intestinal discomfort.

E.coli bacteria can cause urinary tract infections, respiratory illness and other health issues.

AUTOMATION READY.

BioShield UV Sterilizer pairs perfectly with IntelliTouch® or EasyTouch® Pool Control Systems and IntelliChlor® Salt Chlorine Generators and/or IntelliChem® Water Chemistry Controllers for ultimate pool control and operation ease. Automatic shut-off feature protects the unit and prolongs the lamp life under low flow conditions.

BIOSHIELD®

UV STERILIZER

DECADES OF LEADING THE WAY TO CLEANER WATER.

Pentair has a long history of managing and treating water with advanced technology in water filtration and purification serving commercial, municipal and residential customers around the world.

We've made safe drinking water more accessible by treating and purifying water for reuse and desalination. Our comprehensive line of compatible water filtration and purification products help make water cleaner, clearer and safer for everything from agriculture to industry to the refreshing pool in your backyard.

The BioShield® UV Sterilizer has earned the Eco Select® brand distinction as one of the greenest and most efficient choices from Pentair.

The TradeGrade family of products is exclusively made for and sold by the world's most demanding pool professionals.
