A COMPACT LED CONTROL WITH FULL SIZED FEATURES

FULL COLOR INTERACTIVE LCD DISPLAY
Instant feedback and control with a modern user interface. The colorful display is easy to read and simple to operate.

DIGITAL DIAL OPERATION
The advanced Digital Dial is used to interact with all options on the LCD screen. The dial also has a built in LED feedback light that preview the selected pool light scene.

SMART SYNC® TECHNOLOGY IS BUILT IN
Select your program style at start-up to control LED lighting products from all major pool lighting manufacturers.

DESIGNED TO EASILY REPLACE A LIGHT SWITCH

The lighting control can directly upgrade or install in place of a standard light switch. With Smart Sync built in you can immediately upgrade most pool and spa lighting.

INSTALL INDOORS OR OUTDOORS

Install simply in a single gang box. A seamless wall plate is included for indoor installation. For outdoor installs, place inside of an approved weatherproof box.
