C7

EASY-TO-USE. EASY-TO-MAINTAIN.

Dolphin commercial robots make maintaining your pool facility a breeze. Just plug-in, press power and go. When finished, just open, remove and rinse filters clean.

ULTIMATE CLEANING TECHNOLOGY

There's a reason why Dolphin is the #1 selling robotic pool cleaner. Unlike competitor cleaners that use random patterns to clean the pool floor, Dolphins use CleverClean Smart Navigation to ensure complete pool coverage.

BEST-IN-CLASS WARRANTY

The Dolphin C Class comes with a limited 2 year warranty covering parts and labor. The best protection of any robotic pool cleaner on the market.

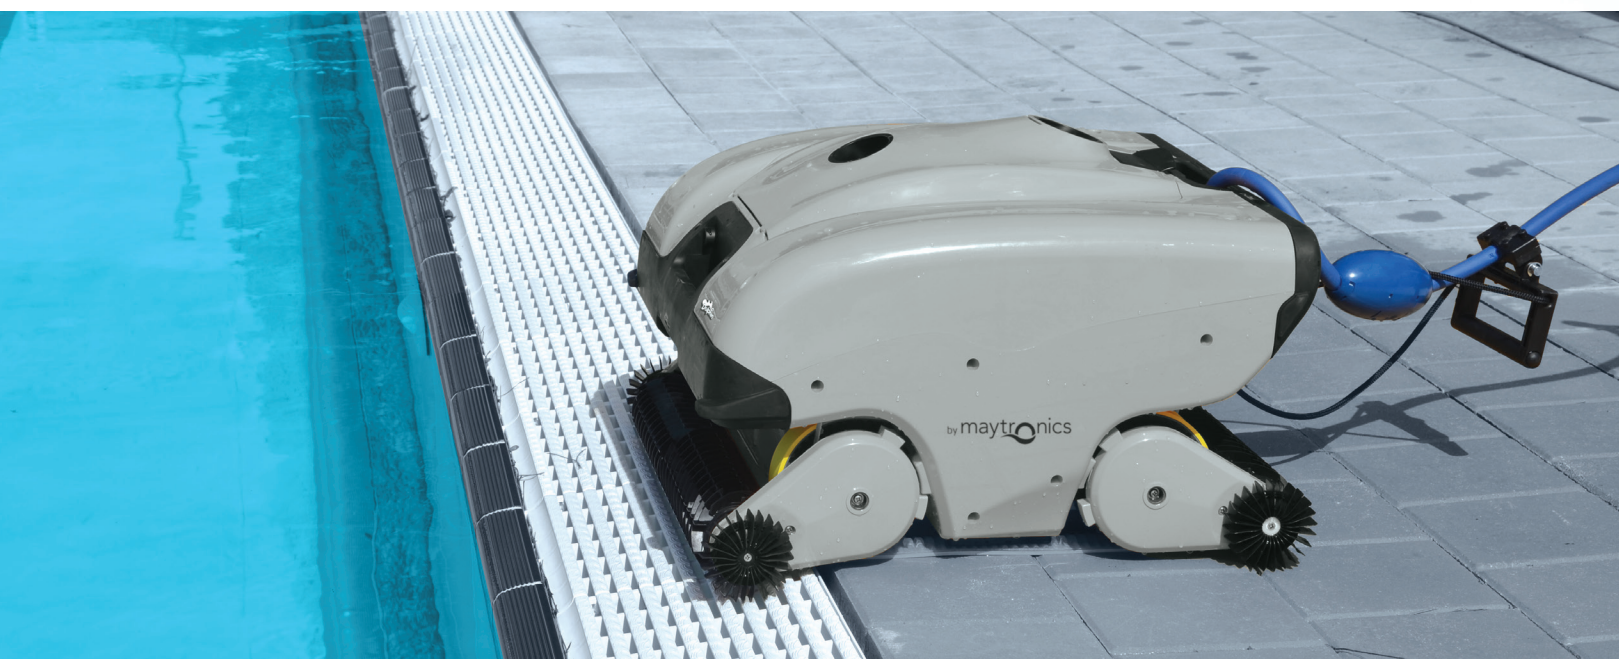

Large Capacity, Top Load Filter Basket

We keep your facilities clean and guests coming back. Our large capacity fine filter basket ensures a clog-free operation that removes all leaves, dirt and debris. Upgrade with two additional filter baskets for multiple layers of filtration.

Remote Control Included

Dirty pools are no match for a Dolphin. The Dolphin C7 robotic pool cleaners come with a remote control to spot clean any potential problem areas in your pool facility.

Durable Tracks and Dual Scrubbing Brushes

Durable tracks and dual scrubbing brushes create the friction needed to remove leaves, dirt and debris on the floor - leaving your pool sparkling clean.
