

# Velocity VR (Varsity Retrofit) Starting Platform

Can be ordered without the track start wedge, which can be added later.

Velocity VR starting platforms are designed to replace existing S.R.Smith Varsity blocks, by fitting into the current deck anchors. No drilling is required. Velocity VR blocks provide an easy upgrade to elite, competitive starting blocks.

- Fiberglass footboard has outstanding strength and sleek, hi-tech appearance
- Frames made from commercial grade, 1.90" stainless steel, powder-coated for additional protection
- Track start wedge (5 positions) easily tucks under footboard
- Available with TrueTread™ or Sand Tread
- Available with left or right side step
- Four backstroke handle options
- Custom colors and logos available on sand treaded footboards
- Colorado & Daktronics timing systems compatible
- Meets FINA, USA Swimming, NCAA, NFSH and USMS competition pool rules and guidelines

Velocity VR blocks are designed to replace S.R.Smith Varsity Starting blocks.
