## NO MORE BROKEN, BRITTLE SKIMMER BASKETS!

### Easy Installation

Remove Tuff-Basket from packaging and expand to full length. Remove old basket from skimmer. Insert the Tuff-Basket in skimmer as shown. Replace the skimmer cover and you are done!

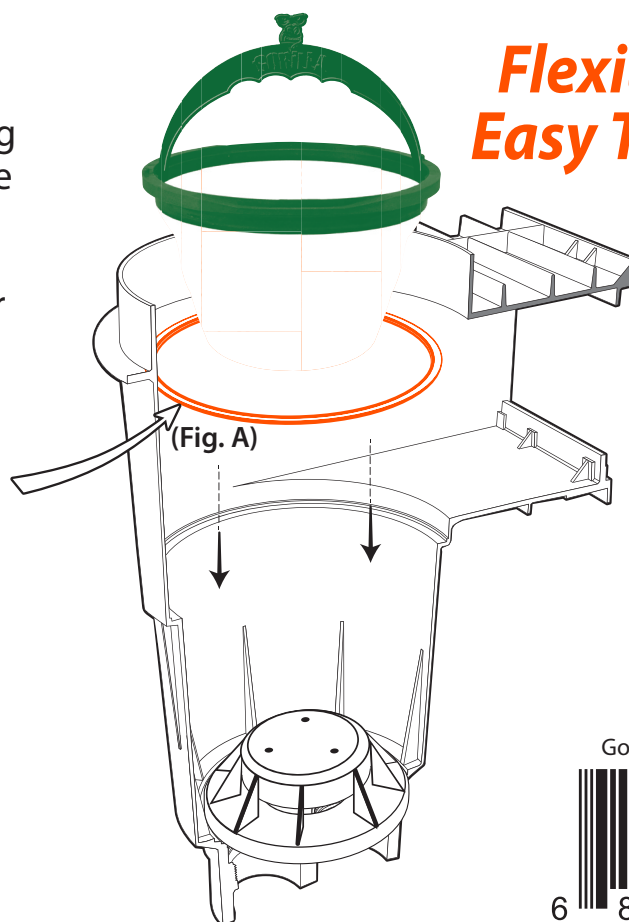

### ADAPTER INSTRUCTIONS

Basket models B-37 or 850001 require the rim adapter (Fig A). Align the groove of adapter with handle location (as shown below) and press the ring into place until it clicks into position.

Close-up of Adapter Ring (Fig A).  
Used for Basket Models B-37 and 850001 Only.

### Flexible And Easy To Empty
