CaliMar Above Ground Pool Filter Systems

The CaliMar 19" and 23" sand filter systems are made with strength, integrity and longevity in mind. This why we offer the Best Filter System Warranty in the industry. An unequalled, unmatched and unparalleled 3 Year Warranty. Made in America by the same company who makes Doughboy pools and equipment, these filter systems are second to none. The pump and filter are manufactured with the expertise and technology giving the best flow rate matched with maximum efficiency.
