# SPA LIFT ELITE(68)

The Spa Lift Elite is a fully powered UL Certified, ADA compliant lift designed especially to provide access to elevated pools & spas. This lift is capable of clearing wall heights up to 68 inches. The Elite offers easy push button operation and 360 degrees of rotation. The Spa Lift Elite is constructed of quality stainless steel and a durable powder coat finish.

Whether relaxation, rehabilitation, or socialization is your goal, the Spa Lift Elite is the solution to stress-free access to your personal backyard or commercial spa. Ideal for swim spas, you can now enjoy increased independence and improved health through the benefits of aquatic exercise.

The Spa Lift Elite is UL Certified to meet pool lift standard 60335-2-1000.

All lifts come standard in white with blue seat. Additional color options are available for both plastics and powder coat.
