# KREEPY KRAULY® PLATINUM™ INGROUND POOL CLEANER

## SLEEK NEW DESIGN PLUS FOUR TIMES GREATER CLEANING COVERAGE

The newly redesigned Kreepy Krauly Platinum cleaner now offers four times greater cleaning coverage than ever before. No other automatic cleaner is more powerful. And that's why it remains the leading choice for pools in yards with lush landscaping and tougher cleaning challenges.

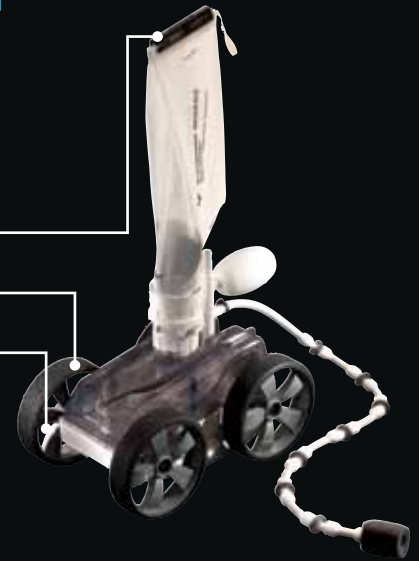

- New dual-thrust jet design delivers more cleaning power and 20% faster cleaning—cleans most pools in just 1-3 hours.
- Large-capacity channel and huge intake throat easily vacuum away larger leaves and debris.
- Lightweight frame and improved tire/wheel design result in four times greater cleaning coverage of pool walls.
- Unlike 3-wheel cleaners that are prone to tipping, solid 4-wheel design assures stable, uninterrupted cleaning.
- 60% larger debris bag captures more dirt; wider bag opening makes emptying a cinch.
- Powered by an independent booster pump for maximum cleaning performance and unimpeded surface skimming.
