

RAMUC®

Type A2 Premium Rubber-Based Paint

Superior coverage rate compared to other rubber based paints

Type A2 premium rubber coating is formulated to provide excellent hiding, coverage, and protection. It restores and upgrades previously painted chlorinated rubber and synthetic rubber surfaces. It is VOC Compliant for all 50 states and Canada.

www.ramucpoolpaint.com

Type A2 is an excellent choice to recoat previously painted chlorinated rubber and synthetic rubber painted pools, especially in VOC restricted areas.

- For upgrading & restoring previously painted synthetic or chlorinated rubber painted pools.
- High gloss finish allows for easy cleaning
- Easy to apply by roller or airless spray
- Self-priming
- Two-coat system
- VOC Compliant in US and Canada
- Service life up to 4 years
