

# FILL-LID

Fill the lid and watch your skimmer and autofill cover disappear

Works with any deck finish

U.S. and Foreign Patents Pending

## FEEL PERFECTION

- Unique fillable lid that will make your skimmer or autofill cover virtually disappear with any deck finish.
- Includes an adjustable frame, plaster shield, and strong internal tabs to keep the deck finish in place.
- Fits AquaStar's skimmers and autofills, and most other manufacturers standard skimmers.

Model # FL10xxx
