

ProLED®

White LED POOL/SPA LIGHT

For reduced energy consumption and maintenance costs, the Halco ProLED® White LED Pool & Spa Lights are the perfect LED lighting alternative to inefficient incandescent light fixtures. Halco ProLED® White LED Pool & Spa Lights are made from heavy duty marine grade 316 Stainless Steel and are designed to last for many years. The lights incorporate a diffuser lens which eliminates light dots and provides bright and even light distribution throughout the pool surface.

Features:

- Cool White Color
- Enhances water appearance
- Long Life LED
- Diffuser Lens
- Uses up to 90% Less Energy than Incandescent
- Multiple Performance Options
- Rugged Marine Grade 316 Stainless Steel Construction
- Compatible with Most Manufacturers In-Ground Pool Niches

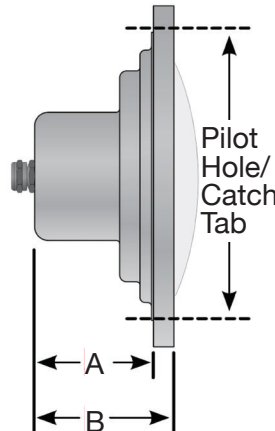

Eliminate the green color look from incandescent pool lights and enhance the appearance of your pool by installing Halco White LED Pool & Spa Lights.

ProLED®

White LED POOL/SPA LIGHT
