

**ProLED**

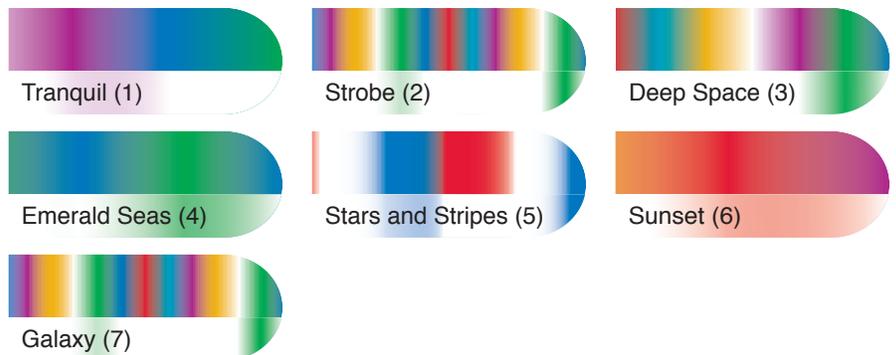

**Color Changing  
LED POOL/SPA LAMP**

Halco's ProLED® Color Changing LED Pool/Spa Lamps feature multiple colors and light shows to turn your pool/spa into a backyard oasis. The optical diffuser lens makes color throughout the water appear rich and vibrant. The Halco ProLED® Pool/Spa Lamp installs quickly and easily providing immediate energy cost savings over incandescent lights. It operates effectively with most popular automation systems such as Pentair® and Jandy® as well as the lights can be controlled with a simple on/off switch.

**Features:**

- RGBW Color Changing
- Long Life LED
- Diffuser Lens
- Uses up to 90% Less Energy than Incandescent
- Compatible with Most Incandescent Pool/Spa Fixtures

**Seven Light Shows**

**Five Solid Colors**

# ProLED®

## Color Changing LED POOL/SPA LAMP

Pool Lamp

Spa Lamp

### Color Changing Instructions (when controlled with a light switch)

#### Power Cycle:

The action of turning the light fixture power switch off/on.

#### Change Light Show/Solid Color:

Power cycle the corresponding number of times shown next to the light show/solid colors.

#### Color Lock (Lock on color while in light show):

Power cycle thirteen (13) times.

#### Return (Return to last saved Color Lock):

Power cycle fourteen (14) times.

#### Reset/Synchronize:

Power cycle the corresponding number of times shown next to the light show/solid colors.

Note: During power cycle selection process, before the desired light show or color is displayed, there will be a moment without illumination. This is a normal function.
