

ProLED®

White LED REPLACEMENT POOL & SPA LAMPS

Halco ProLED® White LED Pool & Spa Lamps provide significant energy reduction and maintenance costs over inefficient incandescent lamps for pool & spa installations. These cool white LED lamps fit most standard pool & spa light fixtures. The lamps frosted lens provides even light distribution and eliminates hot spots on the pool bottom. Each pool lamp includes replacement pool fixture lens gasket # GP-P and spa lamps include gasket #GS-P which can be used for most lamp retrofit projects.

Features:

- Cool White Color
- Enhances Water Appearance
- Long Life LED
- Frosted Lens
- Uses up to 90% Less Energy than Incandescent Bulb
- 100W & 300W Incandescent Equivalent Versions
- Compatible with Most Incandescent Pool Fixtures

Eliminate the green color look from incandescent pool lamps and enhance the appearance of your pool by retrofitting with Halco White LED Replacement Pool & Spa Lamps.
