Endeavor & Edge

## The Dolphin Difference

## Endeavor & Edge

Full pool scanning

### Performance Driven Technology

The Dolphin Supreme family of robotic cleaners were designed with the pool owner in mind – powerful performance coupled with Dolphin exclusive features that you won't find in any other cleaner! Real solutions for real pool challenges.

#### Full Pool Scanning

To ensure thorough cleaning, your Dolphin cleaner is equipped with built in software that systematically cleans your entire pool regardless of your pool's surface!

Swivel cables

#### Swivel cables

Dolphin's patented swivel cables eliminate tangled cables forever! As your Dolphin moves around the pool, its swivel ensures that the cable stays free and clear and easy to handle.

#### Weekly timer

Preset cleaning cycles throughout the week with the push of a button! Your Dolphin can automatically clean every 24 hours, 48 hours, or 72 hours for 3 consecutive cycles!

#### Full filter indicator

Your Dolphin will let you know when it's not operating at peak performance due to a clogged filter. When the full filter indicator light comes on, you know it's time to empty the filter!

Power Supply

Features vary by model. See back panel for details.

### Endeavor

Lightweight and easy to use! Cleans floor, cove, and walls for pools up to 50' in length

- High capacity filter cartridges for all types of debris and algae removal
- Cleans all pool surfaces and automatically shuts off
- Full two-year month bumper-to-bumper warranty (best in class)

### Edge

Incredible must-have feature set paired with best-in-class robotic technology

- Superior robotic scanning and pool coverage
- Digital power supply with weekly timer and full filter indicator
- 2 year bumper-to-bumper warranty
