

FULLFLOXF™ High Efficiency Filters

**C620, F72 &
Q120 MODELS**

**FV60 & FV72
MODELS**

It's not a pool. It's a 24k gallon statement.

Every product in the FullFloXF family of high efficiency pool filters offers optimum filtration efficiency, easy maintenance and longer runs between cleanings—keeping even the largest, splashiest pools sparkling-clear at a lower operating cost.

CRYSTAL-CLEAR WATER

Superior filtration removes even the tiniest particles for an sparkling-clean pool experience.

ENERGY & COST SAVINGS

Enhanced internal design and balanced flow enable up to 25% greater energy efficiency and lower operating cost.*

LOW MAINTENANCE

Ideal for large and premium pools, longer filtration cycles extend periods between cleanings.

Clean, pristine pool water is but a FullFloXF™ Filter away...

FullFloXF FV60 & FV72

High-Efficiency Fiberglass D.E. Filter
Water that sparkles, for less.

- Superior filtration captures even microscopic dirt & bacteria
- Up to 25% more energy efficient for lower operation costs*
- Unique design which includes a built-in backwash valve that extends time between cleaning and ensures flawless operation under all conditions

FullFloXF F72

High-Efficiency Fiberglass D.E. Filter
Our most efficient filter, ever.

- Superior filtration captures microscopic dirt, algae and even some bacteria
- Enhanced internal design & balanced flow enable 25% greater efficiency and low operating cost*
- High capacity makes it the perfect match for large & feature-rich pools

FullFloXF Q120

High-Efficiency Cartridge-Style D.E. Filter
The crystal-clarity of D.E., with cartridge convenience.

- D.E. filtration traps the smallest particles for unmatched water clarity
- Four-cartridge design with 120 sq. ft. of filter area extends time between cleanings
- Easy-to-access, easy-to-clean cartridge design makes cleaning quick & simple
- Enhanced internal design & balanced flow provides up to 25% more energy efficient for lower operating cost*

FullFloXF C620

High-Efficiency Cartridge Filter
High-efficiency, high-capacity cartridge filtration.

- Four-cartridge design traps more dirt and extends time between cleanings with 620 sq. ft. of filtration
- Up to 25% more energy efficient for lower operating cost*
- Designed for easy cleaning and maintenance, with long-lasting durability

For superior water clarity, choose the superior filter system.

Choosing a pool filter can be confusing, that's why Pentair offers several online resources to help you choose the right filter for your pool. Visit pentair.com/fullflo for more information.
