

ECO-matic™

Crystal Clear Water. Naturally.

Simplify your life and get back to nature with an ECO-matic salt water sanitation system. Enjoy naturally clean, sparkling pool water with the convenience, reliability and simplicity of ECO-matic.

Benefits

- Environmentally friendly pool water sanitizing system – uses only natural salt
- Efficient & economical system – low power consumption
- Produces sparkling clear, safe pool water – no odors or irritation to eyes and skin
- Low maintenance, convenient, automated unit
- User-friendly controls – simple to set and operate
- Easy to read indicators
- No handling or storing of chlorine

Clear enclosure keeps cell visible for easy maintenance!

ECOmatic™

Crystal Clear Water. Naturally.

Features

- Large, easy to read digital display and LED indicators
- Strong and durable, UV stabilized controller enclosure
- Hinged door protects control panel from the elements
- Clear cell enclosure for easy maintenance
- High flow cells designed for simple replacement and rapid pool water turnover

Important notes: In areas with hard water, cells may require occasional manual cleaning. The appropriate chlorinator size for your pool is dependent on the local climate and the bather load for the pool. Chlorinator cell life can be increased with shorter running times during winter and lower output settings. The manufacturer recommends that a chlorinator run 6 to 8 hours a day during summer and 2 to 4 hours a day during winter. A 24 hour super chlorination is recommended after heavy pool use.

MFG #	Model	Suitable for Pools up to:*
M0561USA110	ESC 16, 110V	15,000 Gallons
M0561USA	ESC 16, 240V	15,000 Gallons
M0562USA110	ESC 24, 110V	25,000 Gallons
M0562USA	ESC 24, 240V	25,000 Gallons
M0563USA	ESC 36, 240V	40,000 Gallons
M0564USA	ESC 48, 240V	48,000 Gallons

*Pool sizing estimates are based on an 8 hour filtration cycle. Pools in hot climates may require a larger unit (hot climate = average temperature during pool season 86°F or above). Consult your dealer/builder/contractor for more information.
