SFERICO CALDO® | FX LUMINAIRE®

**SOPHISTICATION
 INSIDE AND OUT**

Uniquely suited for small gardens or planters, the SC is sure to be a timeless addition to any landscape. Its precision design and high performance, means you can rely on it for enduring quality.

At FX, we engineer fixtures from the inside out. Our use of semi precious metals, aerospace sealants and materials is without peer. This commitment to excellence provides you with decades of problem-free ownership.

The high output, long-life halogen lamp assembly reduces operating and maintenance costs.

The copper will patina naturally over time and can be accelerated with solution spray – for patina formula visit our website at: www.FXL.com/learning/patina.htm

THE ALLURE OF LIGHT

All of our fixtures are a product of nature, with each Luminaire carefully designed. From the subtle tones of nature to the brilliant explosions of color, our luminaries will provide a feeling of elegance and romance that will turn any ordinary garden into something well beyond. For those who appreciate the best, and to those who accept no less, we offer our line of copper pathlites. They are a result of timeless craftsmanship that endures.
