

AquaTrol®

»»» Salt Chlorinator

CONVENIENT SALT SANITIZATION FOR ABOVE-GROUND POOLS

Versatile design suitable for above-ground residential pools (new build or renovation) up to 18,000 gallons

Quick-install capability makes getting started easy and hassle-free

Auto-reversing polarity periodically cleans cell to ensure best function

24-hour timer lets you easily program custom schedules

Smart dispensing function regulates levels automatically, or with manual On/Off/Auto

Digital indicator display shows salt level and 7 other diagnostic metrics

HASSLE-FREE CONVENIENCE

Because AquaTrol automatically converts salt into chlorine to provide continuous sanitization, you can say goodbye to mixing, measuring and carrying buckets of chlorine.

SILKY-SMOOTH COMFORT

Salt chlorination offers a more natural approach to sanitization that eliminates the harsh smell of factory-made chlorine and won't irritate eyes, dry out skin or fade fabrics.

UNBEATABLE COST

Just one AquaTrol salt cell can deliver a large amount of continuous, readily-available sanitization, which can cut a pool's chlorine costs by up to 50% over the lifetime of the system.

COMMON SALT LEVELS

Hayward salt pools maintain extremely low salt concentrations—generally below the taste level of most people—for ultimate swimming comfort.

OCEAN WATER
35,000 PPM

HUMAN TEARS
9,000 PPM

HAYWARD SALT POOLS
3,000 PPM

PPM = parts per million

AQUATROL MODELS/PARTS

PART NUMBER	DESCRIPTION
AQ-TROL-RJ	AquaTrol Salt System with GLX-CELL-5 Salt Cell — return jet fittings, straight blade line cord and outlet
AQ-TROL-RJ-TL	AquaTrol Salt System with GLX-CELL-5 Salt Cell — return jet fittings, twist lock line cord and outlet
AQ-TROL-HP	AquaTrol Salt System with GLX-CELL-5 Salt Cell — hose/pipe fittings, straight blade line cord and outlet
AQ-TROL-HP-TL	AquaTrol Salt System with GLX-CELL-5 Salt Cell — hose/pipe fittings, twist lock line cord and outlet
GLX-CELL-5	TurboCell® Salt Cell 18,000 gallons
TCELLS318*	TurboCell S3 Salt Cell 18,000 gallons

*Available early 2021
