LET HAYWARD LIGHT UP YOUR NIGHT

Whether you're entertaining guests or simply enjoying the tranquility of a summer evening, you'll love the gentle shimmer and warm glow that underwater lighting brings to your pool and spa. At Hayward®, we make it easy to create your own backyard oasis, from cost – effective lights and fixtures to a variety of installation options.

ENJOY YOUR POOL LONGER

$ Increase your return on investment by spending more time in and around your pool.

CHOOSE YOUR LOOK

Choose from many attractive face rim designs or change your light to color with the selecta-color lens kit.

TAKE COMFORT IN RELIABILITY

No other pool lighting system offers such performance, durability and versatility at the lowest installed cost.

BRING COLOR TO YOUR POOL

Now change the mood of your pool at a monents notice. Simply snap any of the four easy to change lens covers over the clear lens to the AstroLite fixture. No fixture removal or assembly required.

THE FUNCTIONALITY BEHIND THE ASTROLITE.

Jiffy Niche™ and DuraNiche™ fixture housings are injection-molded of PVC for superior performance, non-corrosive durability and plumbing versatility — plus a low installed cost. When paired with Hayward's AstroLite™, ColorLogic 4.0, Universal ColorLogic® or Universal CrystaLogic™ lights, you have the best quality and value in a lighting system available anywhere.

- Injection-molded PVC fixture housing for corrosion-free performance
- Socket conduit connection designed for quick and simple gluing to PVC pipe which provides a clean reliable seal. Provides a clean, reliable seal.
- All 1" outlets can quickly be converted to ¾" with a U.L. approved reducing adapter (included)
- UL Listed

COLOR EVERY CORNER OF YOUR OASIS WITH UNIVERSAL COLORLOGIC.®

Hayward's Universal ColorLogic LED light can automatically illuminate any pool or spa with spectacular color. Specifically designed to deliver beautiful, rich colors and exciting color-changing shows to pools with just one light, Universal ColorLogic can help you easily set the theme for any occasion. 100% brighter than any other color LED pool light, and able to save you up to 86% on energy costs, these brilliant lights offer 10 vibrant solid colors and 7 programmed light shows. Able to safely retrofit virtually any existing niche, switch to Universal ColorLogic today to transform your backyard into an oasis of color.
