

## *A Palette of Colors For Your Backyard Paradise*

Discover what the addition of color can do for your backyard with WaterColors LED color pool and spa lights. So much more than just a white light, WaterColors bring bright, vibrant color to your pool and spa, illuminating and beautifying your backyard while entertaining your family and dazzling your guests. Add a whole new dimension to your pool and spa that can only be achieved with colored lights — illuminate the evening and set the mood with WaterColors pool and spa lights.

### **BRIGHT AND VIBRANT LED COLOR**

Create the dramatic splash you're looking for with Jandy's WaterColor LED lights. LED pool and spa lights offer vibrant lighting in 9 brilliant colors and 5 festive color shows. Select one or transition through each for a color show sure to brighten your night.

### **ENERGY EFFICIENT LIGHTING**

With less than 50 watts of power, LED lights will reduce your energy expenses dramatically, by up to 70%, while providing more than 50,000 hours of lighting. Replacing bulbs is now a thing of the past!

### **TRANSFORM YOUR BACKYARD**

Colored lights transform your backyard landscape into an incredible oasis. The blues will remind you of the deep rich colors of the Caribbean, greens will transport you to the lush jungles of the tropics.

### **ADVANCED CONTROL WITH AQUALINK<sup>®</sup> RS**

Take matters into your own hands and select your favorite colors with the exclusive control of the Aqualink RS Control System which automates most brand LED lights. Easily choose the exact color mode you desire, or set to automatically transition through color modes for a dramatic light show.

# Add The Finishing Touch to Your Pool & Spa

**WaterColors LED Color Pool and Spa Lights** bring a palette of colors to your backyard paradise. The addition of pool and spa color will dramatically change the look and feel of any backyard landscape, evoking memories of far-off beaches or lush tropical islands.

## ADD COLOR TO YOUR WORLD

WaterColors LED energy-efficient lights provide the finest, brightest colors for your pool and spa with less than 50 watts of power. Our unique wide angle design saturates your pool and spa with three vibrant, primary colors; Cobalt

Blue, Magenta, and Emerald Green, as well as six blended watercolors like Caribbean Blue and Violet. For a change of pace, choose from five color shows such as festive "Fat Tuesday" or "America the Beautiful". Whether swimming or just lighting up the night, you'll enjoy an endless display of brilliant, beautiful color.

## CAREFREE DESIGN

Utilizing the latest technology, WaterColors provide advanced, LED color transitions without internal moving parts, motors that can wear out, or bulbs to change! The standard 3-wire design easily installs into any new or existing pool or spa niche. WaterColors light has a longer bulb life than other light brands with up to 50,000 hours of full spectrum color.

## ONETOUCH CONVENIENCE

Conveniently operated with a touch of a button, WaterColors lights are easily controlled via a light switch or your AquaLink® RS or PDA system. From the indoor control panel you can synchronize your pool and spa lights to create the perfect mood by choosing any color you desire. Can't decide? Let the Jandy® WaterColors seamlessly transition through the

Slow Color Splash, bringing continuous, changing color to any evening.

Experience what the addition of colored light can do to your backyard paradise. Color your world with Jandy WaterColors.
