

Introducing a line of replacement lens gaskets made for use with LED lamps.

Guardian™ Silicone Lens Gaskets

MANUFACTURED BY:
J&J ELECTRONICS, INC.

Standard gaskets are only designed to last the 2,500 hour life of an incandescent bulb. So, how do you protect your LED lamp installations that have an average life of 50,000 hours?

The new Guardian Silicone Lens Gaskets from J&J Electronics provide premium performance designed for use with any LED or incandescent lamp.

- Designed to last the life of a LED lamp
- Superior chemical and weather resistance
- Extreme durability and long life

Compatibility

	Item #	Fits Housing Model
	LPL-G-P	Pentair® Amerlite™, 784 Series
	LPL-M-G-P	Pentair® SpaBrite™ Series
