

Why FROG® Test Strips?

- It's the only way to ensure Fresh Mineral Water
- It's the only strip with the ideal chlorine range for FROG pools
- Most test strips show this level as too low, causing confusion
- FROG Test Strips help dial in the right setting for your pool
- The result: Your chlorine Bac Pacs will last up to 50% longer!
- Using standard test strips can lead to over chlorination and wasting money.

Ideal FROG® Range

Their OK Range is TOO High!

Fresh Mineral Water Easy®

POOL FROG® for pools up to 25,000 gallons

Cleaner, Clearer, Softer. It's Easier too!

Fresh Mineral Water Easy

POOL FROG®

For Pools up to 25,000 Gallons

Cleaner

The enemy is bacteria

FROG® destroys bacteria 2 ways with minerals and low levels of chlorine for an ultra clean pool or hot tub

Clearer

Helps maintain pH balance and uses up to 50%* less chlorine for better water clarity

Softer

Minerals condition the water for softness so it's easier on you and on your pool and hot tub with no faded swimsuits or smelly odors

Easier

You never touch chemicals with pre-filled containers that last longer for less work and are recyclable when empty

- POOL FROG® CYCLER**
- Easily installs and controls the water flow
 - For use up to 25,000 gallons

- POOL FROG® MINERAL RESERVOIR**
- Maintain clearer, cleaner and softer water with much less chlorine
 - Lasts 6 months

- POOL FROG® BAC PAC**
- Provides a long lasting low-dose of chlorine pre-filled for no mess

- FROG BAM®**
- Enhances mineral water with a 90-day algae protection guarantee

* Compared to the minimum EPA recommended chlorine level of 1.0 ppm for a stabilized swimming pool.
