by Pentair Water Pool and Spa®

The most powerful pressure-side cleaner available

The Kreepy Krauly® Platinum™ pool cleaner is ideal for inground pools exposed to higher loads of leaves and debris. No other automatic cleaner is more powerful. And that's why it's a leading choice for pools in yards with lush landscaping and tougher cleaning challenges.

- Dual thrust jets ensure optimum speed and ultimate cleaning performance—cleans most pools in just 1–3 hours.
- Heavily treaded tires provide maximum traction on inclined surfaces for total cleaning coverage.
- Solid 4-wheel design and front-wheel drive prevent tipping (common with three-wheel cleaners) for superior stability and reliable, continuous operation.
- 60% larger debris bag captures more dirt; wider bag opening makes emptying a cinch and snap-lock bag provides easy, secure closure.
- Powered by an independent booster pump for maximum cleaning performance and unimpeded surface skimming.
