

Got Protection?

The Ultimate Scale and Stain Preventative That Controls ALL MINERALS.

Protection lasts months, not weeks!

Excellent for
**Salt Pools,
Existing Pools,
and
New Pool Startups.**

64 fl. oz (1/2 gallon) value size

Superior Scale-Stain-Scum Controller Protects Pool Surfaces, Tile, and Equipment Continuously.

Beautec™ provides affordable, long lasting year-round surface protection without phosphates, acids, and laborious scrubbing.

- Stops waterline scale buildup. Keeps tile beautifully clean.
- Keeps surfaces scale and stain free. Removes scum-oil buildup.
- Salt cell cleaner, protector, and optimizes generator cell output.
- Controls calcium levels to over 1,000 ppm and silica to over 300 ppm.
- Year-round protection ... only two (2) bottles per avg. pool.
- Excellent new pool startup sequestrant ... eliminates plaster dust.
