Strong Algae Removal with Chlorine Synergy ... Kills and Prevents ...

Algatec® is an industrial strength and environmental safe algaecide. Its superior performance in chlorine water makes it the product of choice to eradicate all types of algae growths. Unlike phosphate removal products, Algatec is a true algaecide and no testing is required . . . just add!

- ✦ Kills and controls ALL algae ... green, yellow and black.
- ✦ High effectiveness in chlorine water ... and fast results!
- ✦ Eradicates even the most difficult algae blooms.
- ✦ Strong water clarifier.
- ✦ Will not interfere with salt cell chlorinators.
- ✦ Swimmers can use pool immediately.

Algatec® is FREE of metals, bromine, enzymes, and ammonia.
