MAGICSTREAM®
DECK JET II

ENHANCE YOUR POOL EXPERIENCE WITH MOVEMENT AND SOUND

MagicStream® Deck Jet II creates a graceful arc of water that enters your pool with a gentle splash. The stream seems to appear magically from your pool deck since the jet installs flush and out of sight. The result is a visual focal point that's simply captivating and a soothing sound that enhances the serenity of your backyard escape. Install one or several jets to enhance the overall sensory experience of your poolscape.

• Water stream height is adjustable to a maximum of six feet. Water direction is adjustable up to 360°.

• Easy-to-adjust nozzles enable your creativity—concentrate all streams into a single entry point, overlap streams of different heights, or create a symmetrical, multi-stream archway...and more.

• Polished bronze-colored plates provide an elegant, quality finish.

MAGICSTREAM®
DECK JET II

GRACEFUL ARCS. GENTLE SOUNDS.

MagicStream® Deck Jet II can be cast into concrete decks or integrated into surrounding landscapes.

Features include:

• Quality design assures low water flow requirements and eliminates any concerns about standing water or unwanted debris collection.

• Jets install flush to surfaces; no unsightly or unsafe edges.

• Spray height and direction easily adjusted to alter visual effects.

Note to pool professionals:
