THE FUTURE IN POOLS

Polaris

A NEW GENERATION

Sleek and sporty, with undeniable style, the professional-grade Polaris 480 PRO defines a new class of automatic pool cleaner for the sophisticated consumer.

Designed for all in-ground pools, the 480 PRO sweeps and scrubs the bottom and walls of any size pool. It uses a separate booster pump and works independently from the rest of your pool system, capturing debris in its own filter bag.

With a bold, new body design and flashy, translucent housing, the Polaris 480 PRO combines futuristic engineering technology with superior performance.

- Professional Power: 4 powerful vacuum jets and super-sized drive jet
- Professional Quality: Stainless steel drive chain, WideTrax® tires, and high performance modular components
- Professional Performance: Great maneuverability, climbing, large capacity in-take and in-line filter
- Professional Durability: Superior resistance to UV discoloration, corrosion-resistant components and long-life filter bags
- Professional Extras: Zippered All-Purpose Filter Bag, three disposable bags, customized license plate, scrubbers and in-line filter screen replacement.

The Polaris 480 PRO.

The future in pools is here.
