

9300 Sport Specifications

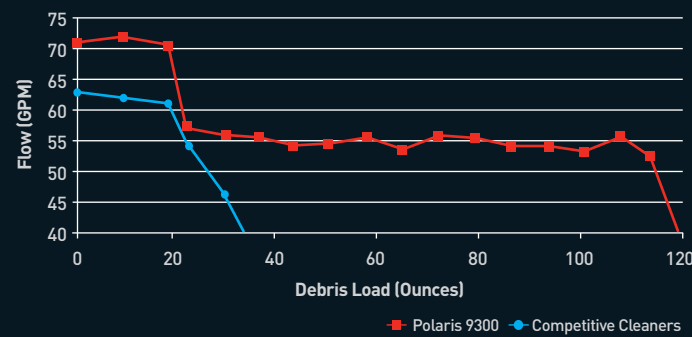

Sport Dimensions	17"W x 8.5"H x 19"D	Maximum Pool Size	20 ft x 50 ft
Caddy Dimensions	20¾" x 20" x 3¼"	Surface Cleaning Ability	Pool Bottom, Walls, Steps
Weight	16 lbs. Without Caddy	Transport and Storage	Powder Coated Alloy Caddy (Included)
Filtration Method	Internal Filter Canister	Pool Types	In Ground Pools
Easy Clean Filter Canister	Medium to Fine Debris	Pool Shapes	All Shapes
Cable Connection	60 Ft. Double Insulated Floating Cable	Pool Surfaces	All In Ground Pool Surfaces
Power Supply	Output: 28 Volt Dc / Input: 120V ~ 50-60Hz	Warranty	2 Year Limited Warranty*

Polaris 9300 Sport is ETL listed to applicable UL Standards.

EFFICIENCY AND CONVENIENCE

Polaris 9300 Debris Load Advantage

The Vortex Vacuum Technology allows the Polaris 9300 Sport to capture over 4 times the debris load of other cleaners. It keeps working where other robotic cleaners can't.

Developed from Polaris' nearly 40 years of experience as an industry leader in automatic pool cleaner design, the new Polaris® 9300 Sport premium robotic pool cleaner combines innovative performance, unprecedented functionality and inspired design that make it a Polaris.

The Polaris 9300 Sport Robotic comes equipped with a premium quality transport/storage caddy constructed of heavy gauge powder coated alloy.

UNDER THE HOOD

Easy Access | Quick Release Filter Canister | Large Capacity | Simple Debris Removal

UNRIVALED PERFORMANCE

Faster Navigation | Enhanced Agility | Rapid Cleaning Action

UNLEASH THE POWER

Patented Vortex Vacuum Technology | Extraordinary Suction | Vacuums Larger Debris | Less Filter Cleaning

a LEGACY OF ENGINEERING EXCELLENCE

Easy Access, Simple Debris Removal

Quick Release Filter Canister

Simple Shake and Spray Filter Canister Cleaning

Vortex Vacuum Technology Captures More Debris With Less Filter Cleaning Required

Rear Water Propulsion System Cleans Tight Corners

All Terrain Aqua-Trac Wheels

Deep-Cleaning Scrubbing Brush Action

Oversized Suction Intake for Larger Debris

ROBOTIC
PREMIUM ROBOTIC POOL CLEANER

Nearly 40 years ago, Polaris created a visionary class of pool cleaner that would become the benchmark against which all others would be measured. The Polaris 9300 Sport redefines the very essence of Polaris in this inspired reimagination of the icon.

The 9300 Sport's innovative aquadynamic design seamlessly integrates bold styling, advanced engineering and unmatched intelligence. It boasts a large capacity filter canister that holds more debris, reducing the frequency and hassle of cleaning. No bags. No mess. The Vortex Vacuum Technology enables unparalleled debris consumption through its revolutionary vacuum flow design, allowing it to pick up larger debris quickly and efficiently, while maintaining maximum suction throughout the cleaning cycle. And the powerful rear water propulsion system cleans up the mess in tight corners and step areas, making it a smarter, faster way to clean your pool than you ever dreamed possible. Imagine that.
