## CLEANING AT THE TOUCH OF A BUTTON.

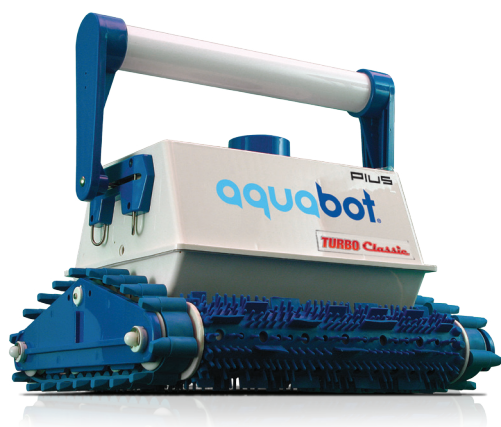

The Aquabot Classic Turbo Plus is designed to clean residential In-Ground Pools of all sizes and surfaces. The Classic Turbo uses AquaLogic to intelligently clean the pool floor, walls and waterline of your pool.

The Classic Turbo Plus is equipped with an independent drive and pump motor that runs separately from your main pool filter, as well as an adjustable 1-7 hour timer.

Additionally, the Classic Turbo Plus comes standard with the largest capacity fine filter bag on the market which can capture debris as small as 2 microns. It all adds up to Fewer Chemicals and a Healthier Clean.

### KEY FEATURES
