ROBOTIC POOL CLEANER

CLEANERS

Total System: Pumps | Filters | Heating | Cleaners | Sanitization | Automation | Lighting | Safety

TigerShark®

Now it's easier to prey on dirt and debris. Industry-leading technologies, such as our unique on-board computer and reinforced cartridge filter, help attack your pool so it gets cleaned more effectively, efficiently and with less effort.

For use with
TigerShark Plus

Easy-to-clean cartridge filter

Features & Benefits

- Calculates the size of the pool and programs itself into the most time and energy-efficient pattern for a spotless pool
- Powerful on-board pump sucks up dirt and debris while roving the bottom, walls, inclines and steps
- 24 V motor is safer, uses less energy and provides the most efficient vacuum strength when compared to other cleaners
- First portable robot to feature a reinforced cartridge filter element
- Cleanup is easy with the patented filter cartridge system – just remove and rinse with a garden hose
- TigerShark Plus now available with hand held wireless remote control for spot cleaning
- Includes one of the best warranty in its class
- Perfect for residential pools up to 20' x 40'
