Approved: February 20, 2009
Expiration: February 20, 2010
Application No. 499906
Name of Item: Pool Lift
Manufacturer: Spectrum Products, LLC
Model: ASPEN-BP300

Conditions of Approval:

1. Not suitable for hazardous / classified areas.
2. This device shall only be installed and used by authorized and trained personnel.
3. The final installation of this system shall comply with all the local and national codes.
4. Adult supervision is required to operate this system.
5. This system is only evaluated for fire and shock hazard, its performance and accuracy have not been investigated.
6. Maximum lifting capacity for this system is 300 lbs.

The above mentioned item has been examined and found to be in substantial compliance with the standards established for such equipment. This approval shall expire on the date indicated unless revoked sooner for cause.

Each approved item shall bear the approval label of the Department, attached in a manner determined by the standards, or otherwise made readily visible for inspection without disassembly. Approval labels may be obtained only by the written authorization of the applicant or his authorized representative and shall be available only during the year of approval. The applicant shall be held responsible for this use. No labels shall be affixed to any item not currently approved by the Department, nor shall the labels be transferred to the possession of any unauthorized person.

Prior to the expiration date of an approval, the applicant shall file the following in order to initiate renewal processing: (1)A completed set of application forms; (2)The required renewal application fee and any supplemental fees if required; and (3)A current sample of the article submitted for approval renewal produced within 90 days of submittal date. Failure to submit any of the foregoing by the expiration date will result in closing of the file.

This approval does not fulfil the requirements for approval which may be required under the Plumbing or Mechanical Code of the City of Los Angeles.
