## starting **platforms**

WON AT THE START

yourself a RockSolid<sup>™</sup> advantage.

Give yourself an advantage from the start with an S.R. Smith starting platform. You can't go wrong with a line that covers everything from recreational racing to elite competition. Combine virtually any of our platforms with our high performance anchoring system and guarantee

#### legacy™

**Legacy**<sup>™</sup> These single-post models are ideal for competition aquatic facilities.

Legacy<sup>™</sup> Side Mount Ideal for narrow bulkheads or pools with limited deck space.

Legacy II Side Mount<sup>™</sup> This low-profile platform works well for pools with limited deck space.

#### universal

#### recordquest™

#### Universal

This platforms unique u-shape design provides a wide staging area that promotes safe platform access and doubles as a combination coaching step/rest area.

This elite model is available with starting strobes to enable faster starts.

RecordQuest<sup>™</sup> Long Reach For pools with. wide or parapet gutter systems the long reach version fits the bill.

#### Legacy II Dual Post<sup>™</sup> This platform is the economical choice for recreational swimming facilities.

#### New! Build-a-block Configurator!

Quoting and specifying made easy. Configure your own starting blocks online with three easy steps:

- I. Choose: Type of mount and number of posts
- 2. Specify: Critical dimensions such as height over water and setback
- **3.** Customize Add your team logo, custom colors, strobe lights and more! The Build-A-Block Configurator generates a basic specification document that can be emailed or printed out and taken to your distributor for a quote

#### Visit www.srsmith.com/build-a-block and try it today.

Our starting platforms meet FINA, NCAA, NFSHA, USMS, USAS and competition pool rules and regulations.

Legacy<sup>™</sup> Long Reach These single-post models are ideal for competition aquatic facilities. The ideal solution for pools with wide or parapet gutter systems.

Varsity Deluxe This low-profile platform is ideal for beginning competitors.

platforms

#### rocksolid<sup>™</sup> anchor

This high-performance anchoring system has an innovative expandable wedge assembly that places continuous and consistent pressure on the platform post. This design virtually eliminates "wobble," so say goodbye to instability.

- Available in single and dual-post models
- Single-post accommodates 2.5" square tubing
- Dual-post accommodates 1.90" OD round tubing
- Heavy-duty welded 304 stainless steel construction with a durable polyurethane liner
- Fully adjustable bronze wedge assembly
- Anchor cap removal tool provided
- Grounding lug

#### **OPTIONAL SAFE-T-CAP**

- Utilizes the anchor's wedge bolt to tighten and secure in place
- Heavy duty welded 304 stainless steel construction
- Sits flush to the deck when in place

### Choose from 4 backstroke handle designs
